

hünersdorff is a well-known manufacturer of various plastic products. As market-leader for **fuel cans** we are supplying many customers throughout Europe with our **car accessories, storage solutions** and **equipment for laboratories**.

To increase our market presence in Norway, we are searching for

Independent commercial agents

Your mission:

- promoting hünersdorff in your country and increasing our business by
- winning new customers
- servicing our existing customers
- information sharing about our competitors activities

Your Competence:

- professional experience
- good contacts to the respective industry, DIY and specialised-trade headquarters
- own warehouse, storage possibilities
- speaking and writing German and/or English fluently

We are looking forward to receiving your company's/agency's presentation and information about your customers and your contacts.
